

# Heathryburn School Newsletter

*Learning is Life Changing*

December 2018

This term is absolutely flying past and it's hard to believe that we are into our last weeks of school for the year. This Newsletter is just a reminder of the remaining events that are happening in the run up to Christmas.

I would also like to take this opportunity to wish you all a very Merry Christmas and Happy New Year when it comes. I am looking forward to seeing you all back safe and healthy in 2019.

Kind Regards,  
Mrs Milne

## School Car Park

Unfortunately, the situation in our school car park continues to be of concern and is becoming increasingly dangerous for your children.

This is another reminder that the speed limit is 5 miles per hour and this must be adhered to. Please ensure that you do not double park, which causes an obstruction to other drivers. Please also ensure that you do not park in the drop off bay or where the cones are located. It would be much appreciated if we could all work together on this as the number one priority is to keep the children safe.

## School Improvement

We have continued to work hard on our school improvement priorities this term. The staff and pupils have worked together to create an Assessment policy, a Poverty Proofing policy and a Homework policy. All of these can be found on our website or paper copies can be requested from the school office.

During the November Inservice day all staffed were trained in the Heinemann Active Maths resource, which will be used across all classes from Nursery to Primary 7.

Next term our focus will be on outdoor learning and continue to improve parental engagement.

## Fruit Tuck

Thank you for those who responded to our survey regarding fruit tuck. % of parents felt that they wanted to keep the fruit tuck trolley in school. We will continue to work with our partners to ensure that we are providing the cheapest, high-quality healthy snack for our pupils.

## Keeping in Touch

As well as class and school newsletters, you can keep up to date with what is going on in school by looking at our website or following us on Twitter! Our Family Learning Worker holds drop in sessions on a Wednesday morning in the Parents Room and everyone is welcome.

If you have any comments or concerns, please speak to your child's class teacher or ask for an appointment with one of the Senior Leadership Team.
